Maroa Grade School

History of Maroa Grade School

The first public school was started in Maroa in 1858-1859. At that time there was close to two-dozen children going to school from around the community. Since no building had been built yet, classes were held in a vacant building that was once used to house construction gangs when the railroad was built. By 1877 the school had a principal and four teachers. The average monthly wage was about \$40-50 per month. The present brick building was erected in 1914-1915. The school had 12 classrooms, an assembly, and a small gymnasium. In 1940 Maroa elementary received a Certificate of Superior Rating under a new Program of Recognition. As we say good-bye to our beloved grade school and look forward to our new location, we look back with fond memories of old friends, classes, great teachers and a wonderful old building which has served us well.

I would like to sincerely express my thanks to the parents, staff, and students of the Maroa-Forsyth communities for the opportunity to serve as teacher, coach and Forsyth Grade Principal for the past 34 years. It is my hope that I have displayed honesty at all times and have based our school decisions on doing what has been best for our students resulting in both excellence in education and pride in our achievements. I believe I have been most blessed by the friendships I have acquired in my service to these communities and can only reiterate the closing statements of two of my favorite entertainers, Bob Hope and Red Skeleton, at the close of their programs - "Thanks for the Memories" and "May God Bless".

Mr. Ritter

CONGRATULATIONS MR. RITTER AND MRS. MARSH!!!!!!
HAPPY RETIREMENT!!!!!!

Your friends, the staff and students of Maroa-Forsyth Schools

I began my tenure with Maroa Grade School in December of 1987, replacing Bonnie Morgan. The next 16 years would bring many changes for Maroa Grade. Carl Reynolds was the principal for the remainder of that school year. Mr. Reynolds was a former 5th grade teacher and had replaced Russell Aldridge. Ronn Gossman began in the fall of 1988 and served in that capacity until 1994. In the fall of 1994, Bob Ritter was designated as principal for both Maroa Grade and Forsyth Grade - what a year that was! When it was finally discovered that this situation was not working, Sue Hetz was hired for two years. It was during this time period that the shared attendance was started with Forsyth Grade. Mary Stephenson started her career at Maroa in the fall of 1997 and is still in that position. Many teachers came and went during my 16 years. The only ones remaining since my first day are: John Pine, Karen Gipson and Cindy Peters. There were just as many head custodians during my tenure as principals: Homer Weikle, Doris Summers, Ken Butler, Tim Wrigley, and our present custodian Bill Weikle. The cooks, Norma Porter and Darlene Shofner, retired and were replaced by Connie Hall and Cindy Barnes.

When I started my job, we had just gotten a copy machine and were still running student copies on the "Ditto Machine". I still typed all letters on a typewriter and there was only one little "Mac" in the office for the principal to use. Employees, machines, and procedures changed many times, but the constant that has always remained is how caring everyone is at Maroa Grade School. Many people have asked me over the years what my job description was. I usually told them that I was a "mom" to about 300 students and teachers. If you have a family that large, you never know what joy, sorrow, or crazy problem will occur on any given day. I can only hope that I have touched a few lives in a positive way over the last 16 years. I actually think I took at least 30,000 temperatures and gave out 10,000 ice packs!! Best wishes to everyone as our school moves into the new century and the greatest challenge of all.
